Dr. Eduardo Anitua

MD · DDS · PHD

bti[®]

Human
Technology

Dr. Eduardo Anitua **MD · DDS · PHD**

Own ultra-modern training centre and private practice in Vitoria, Spain.

Main focus on implantology and oral rehabilitation.

Scientific director of BTI Biotechnology Institute.

Research and publications in the field of autologous growth factor ENDORET® (PRGF®) and implantology amongst other.

Author and Co-author of several specialist books, numerous national and international publications.

Has held courses and lectures for more than 20 years at national and international congresses in the field of implantology and oral rehabilitation.

“Scientific and practice-oriented on highest level”, that’s the motto of these top-class trainig courses.

The internationally recognized lecturer Dr. Eduardo Anitua combines scientific approach with practical experience in an excepcional way. Numerous publications and specialist books underline his professional qualification.

Unlike most lecturers he includes biological and bio-mechanical aspects in his therapeutic concept. With the support of his research-team he always breaks new ground.

TOPICS

- **Live surgeries** with different indications.
- **Discussion of the surgeries** with regard to treatment plan.
- **3D diagnose and planning.**
- **Augmentation techniques** with autologous growth factors and fibrin.
- **Ultrasonic supported surgical** techniques.
- **Hands-On Workshops:**
 - Planning of clinical cases with 3D planning software.
 - Ultrasonic surgery.
 - Site preparation and implant insertion.
 - ENDORET® (PRGF®) technique: Preparation of plasma rich in growth factors and autologous fibrin.

DATES

■ March	7- 8	■ June	27 -28 -29
■ April	11-12-13	■ October	10-11
■ May	30-31		

Venue

Eduardo Anitua institute

BTI Training Centre
Vitoria-Gasteiz (Álava) Spain

Organizer

Biotechnology Institute SL

C/ Jacinto Quincoces, 39
01007 Vitoria-Gasteiz (Álava) Spain
Tel.: +34 945 14 92 02
Fax: +34 945 15 49 09
Mail: export@bti-implant.es

Attendance Fee

€ 1150 - 1,000 £* / attendant
