EYE DROPS

SAFETY AND MAXIMUM CONVENIENCE FOR
THE PATIENT

Treatment

for
3-6
months

Storage

at
-15°C

1 dispenser

72
hours
at ambient
temperature

Biological stability

6
months

ENDORET® Technology eye drops maintain all of their biological properties for at least 6 months when stored at -15°C (5°F).⁽¹⁾

ENDORET® Technology eye drops are administered using dispensers that enable them to be kept at room temperature for 72 hours and still maintain their levels of growth factors and biologically active proteins.⁽²⁾

This dosage guideline guarantees full **safety and maximum comfort for the patient.**

THE WATERTIGHTNESS AND
RESISTANCE OF THE **HERMETIC
ENDORET®** DISPENSER PROVIDES
MAXIMUM PROTECTION FOR THE
ENDORET® TECHNOLOGY **EYE
DROPS FOR USE ANYWHERE
AT ANY TIME**
